Reversible Outdoor-Indoor Area Rug

# The Collection

Two Rugs in One, Versatile Design

Flora is a machine-woven collection of reversible waterproof rugs, available in an array of four tropical color palettes and four vibrant patterns. Ranging from lush florals to striking all-over hexagonal designs, this collection was crafted to embody all things brilliant and bold. Woven from machine-washable polypropylene, Flora effortlessly combines durability with beauty, bringing the vacation right to your own backyard.

Colorful, contemporary and classic designs. Perfect for any indoor or outdoor space.
